

### **Benefits of CACS BOD Membership:**

- be part of a dedicated team of engaged citizens with a passion for creative expression in later life
- learn to advocate for and influence senior serving agencies and communities to adopt innovative practice approaches to living a creative life and integrate creative expression programming
- experience a rewarding opportunity to share your skill set and talents with CACS to determine its strategic direction, achieve its mission and advance its social impact in the community
- attain professional development that can advance your professional career, such as learning more about non-profit governance, strategic planning, fundraising, event planning and leadership experience
- enjoy unique access to others from across the region representing diverse disciplines offering you the opportunity to learn and demonstrate professional value through meaningful participation in board meetings and associated CACS activities
